

**§ 1412.50 Matters of general applicability.**

These regulations and CCC's interpretation of the regulations and internal agency directives issued to State and county FSA offices are matters of general applicability and are not individually appealable in administrative appeals according to §§ 11.3 and 780.5 of this title. Additionally, these rules and any decisions of CCC and FSA that are not based on facts derived from an individual participant's application, contract, or file, including but not limited to, decisions of whether or not to conduct a lottery, lottery selection process and results, signup deadlines, direct payment rates, counter-cyclical payment rates, or any other generally applicable payment rate or rates, national average market prices, determinations of production of crops produced in a State or States, actual State yields, benchmark State yields, program guarantee price or prices, or determinations of CCC regarding the percentage of acreage of a crop in State that is irrigated or non-irrigated, or any other similar determination that is made by CCC or FSA for use in all similarly situated applications, are not appealable under part 11 or part 780 of this title. The only extent by which the matters referenced in this section, and like similar generally applicable matters, are reviewable administratively in an appeal forum is whether FSA's or CCC's decision to apply the generally applicable matter is factually accurate and in conformance with the regulations in this part.
